

# Student Goal and Action Plan Template

## Student Directions:

Use the rubric to create a learning goal. Read the feedback from your peers and teachers to support you as you write your goal. Use the following form to create your Action Plan.

Name			
Date my goal is being created _____		Date my goal is completed _____	
My learning goal			
Why I have created this learning goal			
<b>ACTION STEPS</b>			
The steps I can take to achieve my learning goal			
What I have done already to achieve my learning goal			
The person(s) who can help me achieve my learning goal			
When I expect to complete my learning goal			
How I will know that I am successful
